APRIL 2014

WE ARE LOOKING FOR VOLUNTEERS

Volunteering is a great way to gain work experience and make new friends.

At present we are looking for volunteers to:

- Work with us in the Community Resource Centre helping everything run smoothly. There are various roles including reception, setting up rooms, administration and DIY tasks.
- If you know a lot of people where you live you could help us find out the opinions of people may have of the area. This would help us know the types of project that we could be organising.
- Help us with our online marketing: Facebook, Twitter, Website, etc.
- Help us when we have events or parties.
- Join one of our project groups. These vary, but if you tell us what your interests are we will get you involved in something appropriate.

Whether you want to volunteer on a regular basis or occasionally we will be able to find something for you to do. If you are interested get in touch with Sarah or Bernice on 692112 or email us at office.cwep@gmail.com.

TOGETHER

FUN AND FREE EVENT

Cheltenham Together is a group of people from different backgrounds and cultures whose aim is to promote the integration of Cheltenham's diverse communities.

The group is holding an event in the Brewery on Saturday 7th June from 2 -4 pm. By providing an opportunity for different communities to showcase their cultures this event offers an opportunity for people to get to know and understand each other.

It will be fun with music, dance, food and national costumes providing a backdrop to information on what makes all of these different cultures special.

So far involved are people from Turkish, Bangladeshi, Gujarati, Hindu, Polish, African and Chinese communities. If you think your community could get involved or if you just want more information about the event or Cheltenham Together please phone 01242 692112.

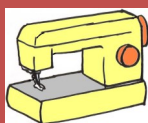

Information can also be found on the Facebook page at www.facebook.co.uk/cheltenhamtogether.
